*We have the pleasure of introducing*

## FIAMMA Portable work lamp

- Very bright and clear light
- Lightweight and it does not heat up
- Very robust case (polycarbonate)
- 5 m power cable
- Models for 12 Vdc and 230 Vac
- Low power consumption (4 W)
- IP65 protection class
- Protected switch

Minimalistic design, easy handling and high brightness. Extremely robust, with a polycarbonate case. Intense and uniform lighting over a wide radius. To be used in harsh environments: service labs, yacht engine rooms, lift work-rooms, etc. Its low power consumption makes it suitable for emergency scenarios.

Models for 12 Vdc and 230 Vac input power
