*We have the pleasure of introducing*

## **New GEMMA 1 LED** courtesy exterior lamp with full thread

- High intensity
- Small size (head Ø18 mm)
- Waterproof (IP67)
- Thread allows them to be mounted like a screw
- Very low power consumption
- 10...30 Vdc power supply
- Two standard colours (blue, white)
- Polycarbonate case

Small and bright lights available with LED of colour white, blue, red, green and amber. Designed for outdoor use, with a single-piece case and fully resined inside, they are completely water-proof. They allow a simple and rapid installation and depending on where they are mounted (e.g. wall, stainless steel tube, panel, etc.), they can be fixed with glue, screwed in directly or with a nut (provided). Useful for illuminating or marking steps, borders, ladders, bathrooms, cockpit area and other environments.
